

# LEVAN GULBATASHVILI

## PROFESSIONAL SUMMARY

**Innovative Junior Web Developer** with a strong foundation in crafting dynamic and scalable web solutions. Leveraging hands-on experience at Tegeta Motors, I specialize in translating complex ideas into intuitive, user-centric designs using JavaScript, HTML, and CSS. My work is defined by a commitment to enhancing web presence and delivering seamless user experiences. Proficient in React and Node.js, I thrive in collaborative environments, seamlessly integrating with cross-functional teams to drive projects from concept to completion. My passion lies in pushing the boundaries of what's possible, consistently delivering high-quality and efficient code.
